- We wish to inform you that some textbooks from international publishing houses may contain material that is not fully compatible with our cultural and religious values. Please rest assured that such content will not be included in our teaching program. We are dedicated to thoroughly reviewing all materials to ensure they align with the Lebanese laws and the ethical principles of the Catholic Church, and to teach our students appropriate values accordingly.
- In order to ensure consistency in students' school materials and to better address the specific academic requirements of each class, please be informed that standardized notebooks—bearing the school's name and logo and conforming to the prescribed specifications (format, page count, quality, etc.)—are now available for purchase at Daily Press at a preferential rate. Purchase of these copy books is mandatory.
- *Kindly note that all these books/ workbooks must be new; used copies will not be accepted.
